

Who are they?

- Age:
- Ethnicity:
- Economic background:
- Religion/beliefs:
- Health condition(s) /disability/lies?
- Sexual orientation:
- Any other characteristics?

Communities/ies

Who might they be linked with through geography, shared experience or interest, or other bonds?

National Voices
nationalvoices.org.uk

I can...
What are their strengths, experiences and interests? What might they contribute?

Why? Why might your organisation want to involve them?

but
What barriers might they face when trying to engage with your organisation?
And what might your organisation do differently?
